

# Food & Fund Drives

If you'd like to receive food collection barrels, we ask you to make the "400 Pound Pledge," which is a commitment to collect at least 400 pounds of food (approx. two barrels). We have added this requirement due to our limited resources and the increase in fuel costs.

The Food Bank schedules barrel deliveries, swaps and pickups by zip code Monday – Friday, 8:00 am – 2:30 pm. Someone MUST be at your location to meet our driver.

**A few helpful tips:**

- Allow 2–3 business days for us to process your barrel request.
- When your barrel is nearly full, please contact us for a swap unless your pickup date is soon.
- If your barrel is overflowing, please let us know prior to pickup.
