INNOVATING TO END HUNGER

Thanks to you, we continue to introduce programs that empower neighbors in need.

**1998**
**FOOD PANTRY NETWORK**
We were the first food bank to launch weekly pantries focused on neighborhoods with greatest need. These farmers market-style pantries are now the cornerstone of our food distribution.

**2000**
**FARM TO FAMILY**
We were the first food bank to solicit farmers and growers for donations, greatly increasing our fresh produce distribution. Today the program is the nation’s leading produce recovery program.

**2004**
**HEALTHY CHILDREN PANTRIES**
To reach more families with children, we were the first food bank to expand the Pantry Network to schools.

**2010**
**CALFRESH OUTREACH**
We started helping community members enroll in CalFresh (food stamps), one of the best ways to tackle hunger.

**WE ADVOCATE**
AT THE LOCAL STATE AND NATIONAL LEVELS
TO STRENGTHEN AND EXPAND THE CRITICAL FOOD SAFETY NET PROGRAMS.

**2014**
**HOME-DELIVERED GROCERIES**
We expanded this program citywide to support the health and self-sufficiency of homebound neighbors.

**2016**
**FOOD PHARMACIES**
We began collaborating with health clinics to connect patients with free groceries, nutrition education, and CalFresh.

**2017**
**COLLEGE PANTRIES**
Every week, the Food Bank now provides students with healthy food and CalFresh support to fight hunger and boost academic achievement.

**WE OFFER MORE THAN 50 UNIQUE TYPES OF FRUITS AND VEGETABLES TO OUR PANTRY PARTICIPANTS EACH YEAR.**

**WE DISTRIBUTE 80% OF OUR FOOD THROUGH THE PANTRIES.**

**SF-MARIN FOOD BANK**
