

## **San Francisco-Marín Food Bank Board of Directors Nominations Policy and Process**

The San Francisco-Marín Food Bank Board of Directors policy is to represent the full diversity of our communities through a process that is inclusive and designed to generate nominations that represent our both our San Francisco and Marin communities.

**Step 1:** Interest Form \*DONE\*

**Step 2:** Engage!

We invite you to engage with us in our mission of ending hunger in San Francisco and Marin.

There are many ways to do this, and here are some ideas:

- Join an existing volunteer shift via <https://volunteering.sfmfoodbank.org/>
- Host a Virtual Food Drive: <https://funddrives.sfmfoodbank.org/1803/general>
- Join a Food Banker for a virtual coffee chat – reach out to [boardnominations@sfmfoodbank.org](mailto:boardnominations@sfmfoodbank.org)
- Reach out to learn about additional opportunities to engage, or for support

**Step 3:** Volunteer Match Form -- Request a Form by reaching out to [boardnominations@sfmfoodbank.org](mailto:boardnominations@sfmfoodbank.org). Complete and return it no later than Jan 10, 2022.

**Step 4:** Screening & Placement

Thank you for your interest!

*\*The San Francisco-Marín Food Bank has conflict of interest policies and bylaws that limit service to prevent conflicts of interest. For example, current or recent employees, or those who are related to any who are or who have been compensated for services from the agency are conflicted from Board service.*
