# One Big Table

Saturday, September 28, 2024

Reception & Dinner 6 PM | After Party 10 PM

## *Come Together*

at One Big Table, a celebration for and with our community of generous supporters. Your support enables the Food Bank to continue to address both the causes and consequences of food insecurity in our community.

This year on September 28, some of the Bay Area's most celebrated chefs will donate their time, talent, and passion to create a specially curated meal and an unforgettable evening. Guests will come together to dine and dance in our spacious San Francisco warehouse.

With your support, we are ending food insecurity in our community through a focus on community-driven solutions.

Let's end hunger together.
